1. All pending claims 13-22 are allowed. Claims 13 and 18 are independent.

2. The following is an examiner's statement of reasons for allowance:

Independent claims 13 and 18 have been amended to include subject matter similar to the allowable subject matter indicated in the statement of reasons for allowance given in the previous Office Action dated April 5, 2006. Specifically, the closest prior art of record Kumashiro (U.S. Patent No. 5,864,408) does not disclose a deceleration distance of the object of media, and thus does not disclose replacing the "first data" corresponding to the deceleration distance with the "second data" as claimed in claims 13 and 18.

Claims 14-17 depend on claim 13, and claims 19-22 depend on claim 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
